

GREETINGS FROM THE BOARD

Mr. Roy Schaufele - FCSI CCPR LEED Green Associate

WOW! My three terms as your Chairman and President have come to an end. They went by very quickly and for the greatest part enjoyably. The choice to step down was mine and it was difficult to make and yes, I do believe in term limiting one's self. Your new leadership team is an excellent one. I was blessed with an amazing Board of Directors and an Executive Committee that many association Chairs would want to have...[Read More](#)

INTRODUCTION FROM THE NEW ABAA CHAIRMAN OF THE BOARD OF DIRECTORS

Mr. Russ Snow

Welcome to this edition of the ABAA Newsletter. As I begin my term as the new Chair of the Board of Directors, I am both excited, and a little overwhelmed about what lies in front of me. It is an honor to have been voted into this position, and I will do my very best to continue the great work that our Past-Presidents have accomplished. With that in mind...[Read More](#)

AIR BARRIER EDUCATION TRACKS FOR THE CONSTRUCTION INDUSTRY

Planning is well underway for the 2017 ABAA Conference & Trade Show. ABAA is pleased to announce that the location for the 2017 Conference will be the Hyatt Regency in Reston, VA! The conference will take place from April 18-20, 2017 and will feature the following... [Learn More](#)

Call For Abstracts!

The conference Call for Abstracts has been opened and ABAA is currently accepting session proposals from some of the nation's most engaging, innovative speakers. If you are interested in submitting an abstract for consideration, please [click here](#). Please send in your abstract as soon as possible as the submission window will be closing soon.

AGM 2016

We are pleased to announce that 2 new Board members have been added to ABAA's Board of Directors. See their profiles below. We look forward to working with them... [Read More](#)

CSI Presented ABAA and Roy Schaufele with Education Commendation Award

South Central of The Construction Specifications Institute presented an Education Commendation award to ABAA and Roy Schaufele, FCSI, CCS for assisting the San Antonio Chapter in putting the "Air Barrier Technology & IECC 2015 Code Adoption: Education Event and Product Show...[Learn More](#)

The 2016 ABAA Conference & Trade Show has passed and was a hugely successful event, our biggest yet. This was the first year all the attendees were together for a full day of presentations, it was a huge success! A BIG thank you to our ABAA Conference Committee for their efforts in planning the event, as well as all of our attendees, exhibitors and sponsors - the show wouldn't happen without you!...[Read More](#)

ABAA In Action!

ABAA is active in supporting education, participating in various trade shows and participating in research, code development and standards. Here is a list of what we have been up to over the past few months...[Read more](#)
