

## Self Adhered and Fluid Applied Installer Course Registration Form

**Dates:** December 5-7, 2017      **Location:** Charlotte, NC

**Deadline for Registration is: Monday, November 20 at 12:00 PM CDT**

### Description

- This course is designed for the experienced SAFL installer to learn how to install SAFL as a complete air barrier system in commercial buildings. This course includes instruction on everything from selecting proper materials, substrate preparation, application technology, troubleshooting and hands-on training.
- For certification purposes, a minimum of 3000 hours of work experience either directly with air barriers or in applicable related trade experience is required.
- It is an ABAA policy that each company employs one person trained in an ABAA Installer Training Course **and** one person trained in the Quality Assurance Program Administrator Course. This can be the same individual.

### Important Information:

- ABAA reserves the right to cancel with a minimum 5 days' notice, based on lack of registrants
- Students who cancel their registration with less than 5 business days' notice will not receive a refund
- We advise all students to hold off on making any travel arrangements until the class has been confirmed as proceeding
- Attendees are responsible for travel and accommodation costs
- Class sizes are limited. Complete registration forms are processed in the order in which they are received.
- Missing information on submitted forms **may** result in not being able to attend the course.

### Please Note:

- If you are looking to get certified, the "**Level 2 and 3 Installer Certification Application Form**" must be completed.
- It is one registration form per person.
- Payment must be received prior to the start of the course.

I have read and understood all of the information stated above.
